

Dear Fellow Servant of Christ,

We are pleased to have you apply to YCC Global Outreach to become a member of our growing family of missionaries, and we wish to take this opportunity to thank you for your service to our Lord.

This application packet is an attempt to gather all the information we need in order to make a careful and informed decision in your case. By way of introduction we would like to highlight the documents we are asking you to provide for our consideration of your work.

1. Like anyone else, YCC Global Outreach must prioritize our efforts to support missionary work in order to maintain good stewardship of the finances with which we are entrusted. The information in your application will help us understand how you and your work fit into our criteria and priorities for support.
2. A recommendation from the Pastor of your sending church will help us understand your relationship with the congregation and leadership who are recommending you as a candidate for support.
3. An official letter from your Mission Agency granting you permission to raise support as a missionary under their organization helps us establish a relationship with your sending agency and your on-field leadership.
4. A biographical sketch, introducing you and your work will help us integrate you and your work to our board and into the life of our congregation.
5. An information confidentiality policy statement detailing how we intend to use the information we gather is attached to help you understand that we are serious about your privacy. Please be assured that no personally identifying information will be shared publicly unless you give us specific permission to do so, and any information kept on file will be kept in confidentiality.

The documents we are asking you to provide are available for download on our website at <http://www.yccglobaloutreach.com/candidatepack.htm> and may be sent securely back to us at [support\\_candidate@yccglobaloutreach.com](mailto:support_candidate@yccglobaloutreach.com). We will consider your work and your request for support over a two month period in order to allow sufficient time for prayer and discussion. Our board considers support requests at our January, May and September meetings, and we may request a personal interview at the next such meeting after we receive your application. If this is the case, a member of our board will contact you to schedule an appointment.

Again, thank you for your consideration of us and for your heart to serve Jesus.

Sincerely,

  
William Stapleton  
Chairman: YCC Global Outreach
